YEM – Official Announcement 18th May 2020

Despite the still ongoing global economic decrease due to the corona crisis, YEM appreciation is even stronger. YEM and YEM related values have been changing ownership in increasing numbers yet again.

We are glad to announce that the YEM Foundation has decided to raise the minimum price of one YEM from \$ 0.676 to \$ 0.70.

Be safe, healthy, successful and happy
